The private rooms available that we used for special events and everyone had a good time. The lunch specials that include vegetarian or non-veggies options come in two sizes and can be as long as 10,000 or 20,000 won. The smaller option will surely fill it up as it comes with two curries, a small salad and a large one to make naan bread. Free parking is also available and in downtown Seoul it's an unusual perk!
